

Hello

I'm Steve Adakole

STILL & MOTION DESIGN/MEDIA MGT/CONTENT CREATOR

I'm a passionate and dedicated designer with a strong background in creating visually compelling and effective design solutions. My professional interests lie in helping clients bring their unique brand stories and projects to life through thoughtful and strategic design.

ABOUT ME

Hey there, I'm Steve. By day, I'm a visual communicator, Graphic designer, illustrator, and social media manager who loves solving complex brand problems with precise visual communication and design solutions.

By night (and on weekends), you'll find me editing videos and motion materials for the brands I manage against the week ahead. I'm a big believer in lifelong learning and am always looking for new skills to pick up within the design and creative field. whether it's a new approach to design or a new trail to explore.
